Dream Reading Scheme Notice – Ordering Custom-made Personalized Books (202109041)

27th September, 2021

Dear Parents:

Reading not only is the foundation of learning, but also is the medium for students to expand their life experiences and to understand the world surrounding them. In order to promote reading culture in school, to encourage students to spend more time on reading and even to let students cultivate a reading habit, our school has joined the “Dream Reading Scheme” supported by Quality Education Fund (QEF) this year.

The service targets of the “Dream Reading Scheme” this year are kindergarten students and lower primary students in Hong Kong. Eligible students will receive 3 personalized children’s picture books “My Hong Kong Story” for free. Background of the books is based on 18 districts in Hong Kong and the main character will be named by the participating student. We hope to facilitate students’ integration into society and to strengthen their interest in reading by life experiences. In addition, we wish to further encourage students’ development in creations and foster their creative mindset.

Parents who are interested please fill in and submit “Form of Ordering Custom-made Personalized Books” via the link below: <https://forms.gle/CMcNhX9GQpWvG9Pb6>
