“Community Youth Club” Notice (202111096F)
2021-2022 “Greening for the Chest” - Charity Plant Sale

3rd December, 2021

Dear Parents,

In order to cultivate students’ interest in potted flowers and promote environmental awareness, the Education Bureau “Community Youth Club” has promoted a campaign in which our students have the chance to serve the community and raise funds. Details are as follows:

1. Students need to look for buyers (parents or friends) to purchase potted flowers.
2. Please complete the reply slip and submit it to your child’s class teacher together with the funds.
3. Distribution of flower seedlings will be arranged by school later.
4. As the quantity of each kind of flower seedlings is limited, they will be randomly distributed to students.

Best Regards,
